Maintenance...

Dana examines every container for leaks and damages as part of its full service guarantee. Should a problem exist, it is scheduled for repair and sent to our in-house specialists. Once repairs are completed, the container is then DOT or UN tested and recertified. In order to ensure the purity of the IBC, it is sent through our detailed cleaning process before being shipped out.

Cleaning Locations:

- Phoenix, AZ
- Atlanta, GA
- Detroit, MI
- Charlotte, NC
- Avenel, NJ
